THE late Ben G. Green, a part of whose stock I am offering for sale in the following pages of this catalogue, was one of the best known dealers in America.

Mr. Green took a great interest in Numismatics, and was a very conspicuous figure at all conventions. He was ready at all times to undertake any duty as an officer of the different societies with which he was affiliated, however arduous the task, and held the office of Secretary of the Chicago Numismatic Society from the date of its organization until his death.

Mr. Green was born at Montezuma, Ohio, March 16, 1860, and came to Chicago in 1890. He was a collector of coins from his boyhood days, but his career as a dealer dates from September, 1902.

Being the lucky possessor of a happy disposition, "Ben," as he was called by all who knew him, made a great many friends and acquaintances and his humor and quick wit made him very popular at all the numismatic gatherings that he attended.

In 1905 Mr. Green sold at public auction the fine collection of encased postage stamps of Hiram Deats of Flemington, N. Y. This sale aroused his interest in encased postage stamps and the collection which he started at this time grew until, at the time of his death, it was one of the finest in the country.

Mr. Green had a very large collection of Masonic Pennies as well as a collection of Brazilian gold, silver and copper, which will be offered at a later date.
